Yearbook of Islamic and Middle Eastern Law Online

Practitioners and academics dealing with the Middle East can turn to the *Yearbook of Islamic and Middle Eastern Law* for an instant source of information on the developments over an entire year in the region. The Yearbook covers Islamic and non-Islamic legal subjects, including the laws themselves, of some twenty Arab and other Islamic countries as well as international legal developments in the region.

The publication's practical features include:

- articles on current topics,
- country surveys reflecting important new legislation and amendments to existing legislation per country,
- the text of a selection of documents and important court cases,
- a notes and news section, and
- book reviews.

The Yearbook's editors welcome any suggestions from scholars for articles, country...
